

## Hall 14 IAAPA Expo Europe 2024

Hall 14 (shown as “B” in the photo below) is conveniently located at the front of the Amsterdam RAI Exhibition Centre adjacent to Entrance C at IAAPA Expo Europe 2024. This is a temporary structure that will have the look and feel of an exhibit hall.

If you are exhibiting inside Hall 14 there are a few things that you need to be aware of:

- Hall 14 is 4,100sqm gross in size.
- It will contain the IAAPA Expo Europe theatre, conference rooms, exhibit space and a catering area.
- The wall height is 6m, however booths can have a maximum height of 2.5m. If you are requesting a variance to this height, please contact [OperationsEMEA@IAAPA.org](mailto:OperationsEMEA@IAAPA.org).
- The maximum floor load is 500kg/sqm.
- The exhibits will be on a raised floor.
- Power is available (>10 kw or <10 kw). Deadline to order is 10 August 2024.
- Services not available inside include rigging, water, compressed air, and sewer/fume connections.
- Internet is available, free wifi to browse the internet and check emails. If you require stronger internet you can order this through the RAI webshop
- Air conditioning/heating is provided during the show days only. There is no air conditioning/heating during move-in and move-out.
- Lighting is provided during move-in, show days and move-out.

- Aisles will be carpeted, colour aqua blue.

- Shell Scheme carpet colour is smoke grey

- Forklifts, cherry pickers or other heavy equipment is not permitted.
- Shell Scheme booths only unless you receive a variance from [OperationsEMEA@IAAPA.org](mailto:OperationsEMEA@IAAPA.org).
- No complex builds inside Hall 14.
- Move-in and move-out times can be found here [Expo Europe Important Show Information | IAAPA](#)

If you have any questions as your plan your exhibit, please contact [OperationsEMEA@IAAPA.org](mailto:OperationsEMEA@IAAPA.org).
