E) Temporary Importation of Exhibition Goods

a) Banker's Guarantee under the Temporary Import Scheme (TIS)

All exhibition goods except giveaways, brochures, samples and souvenirs will be imported under a Temporary Import Scheme into the exhibition will be temporarily custom cleared under our "Temporary Import Bond (TIB)" placed by us with Singapore Customs. A TIB fee will be levied as per our handling tariff.

Goods for exhibitions may be imported 3 weeks prior to the exhibition and to be re-exported within 3 weeks after the closure of the exhibition.

Approval for extension of temporary import must be made in writing (with reason stated) and will be granted on a case by case basis.

b) ATA Carnet

Singapore is a signatory of the ATA Carnet system and exhibitors can arrange your own Temporary Import Bond (TIB) by using the ATA Carnet prior consigning to us for clearance on arrival.

c) Conversion of Temporary Import to Permanent Import

Under temporary import, all exhibits sold, disposed or not re-exported at the end of the exhibition is required to convert import status to permanent import.

d) Permanent Importation

Giveaways, brochures, samples and souvenirs cannot be customs cleared on Temporary Import Scheme. Generally, there is no duty applicable for such items except a GST (Goods & Services Tax) of **8%** of declared value or as appraised by Customs.

A 10% outlay fee of the GST amount will apply as per our handling tariff.

F) Container Detention

Shipping lines will levy a container detention charge for containers kept in use for an extended period of time. Most shipping lines accord between 3-7 days free detention after the container is cleared from the Port. Prior arrangement/negotiations must be made with the shipping lines if containers are to be kept for an extended time.

G) Customs Sealed Containers

Customs seals placed on containers at the time of import should not be broken without supervision or written permission. Unauthorised breakage of Customs red seal affixed on the container may result in heavy fines. Imposition of fines (if any) will be borne by exhibitors.

Additional Customs supervision fee of **S\$300.00/occasion** for Customs Sealed Containers, if required.

H) Cargo Handover at the Close of Event

Exhibitors must contact APT Showfreight (S) once repacking is completed and to ensure our representative is present to hand over the shipment to us from the stand. APT will not be responsible for any missing/damage cargo if the above is not complied with.

I) Insurance

Exhibitors are reminded to ensure that there is adequate Marine Insurance for their exhibits. We strongly recommend that an insurance cover is taken from the time the exhibits leave your premises till the time they are returned to origin inclusive the time they are handled by APT Showfreight (S) Pte Ltd and during the show period.

J) Procedure for Importing of Gaming Machines

The Police Licensing Division regulates the import and use of amusement game machines in Singapore. Before an amusement game machine with coin slots is imported into Singapore, an approval to import and operate such machines is required. To obtain such approval, the photograph or brochure and specifications of the amusement game machines must be submitted to the Police Licensing Division for their approval. Inspections may also be conducted if necessary.

An import/export licence is required for amusement gaming machines and the process takes 14 days for application and approval. A copy of the invoice/packing list must be forwarded to us together with a copy of the brochure of the machines by latest **15 May 2023**. The importation is meant strictly for the exhibition.

K) Radio and Telecommunication Equipment

Prior import, approval must be obtained from the Info-communications Media Development Authority for all radio and telecommunication equipment to be exhibited before the export of shipment to the show. A copy of brochure or catalogue of the equipment with the full specification must be submitted to us not later than **15 May 2023** in order for us to get approval from the relevant authority.

Static display of the equipment is permissible. Any equipment that transmits radio frequency or sound waves must first seek approval before the equipment is brought in and following information is required:

1. Frequencies
2. Number of Channels being used
3. RF Output Power
4. RF Bandwidth
5. Equipment Information required:

	Transmitter	Receiver
